- Footprint - 37"h x 27"w x 24"d
- Shipping weight - 400 lbs.
- Easy-to-Use Hand/Jog Controls
- Quick Disconnect Hoses
- Hydraulic-Assist Table Height Adjustment

Our 20 Ton Shop Press may be small but it's no lightweight. Smooth and accurate, heavy-duty and versatile, the unique open side design allows for material to pass through. Power it up with a Cleveland Steel Tool Ironworker with the *factory installed* Hydraulic Accessory Pack or the Porta Power, 5HP portable power unit.

Brake up to 12" wide x 1/4" thick material
12" Press Brake Tooling, 6-Piece Tooling Set and Back Gauge available.
